NORTHERN PLAYGROUP 2024

MARCH 1
 MAY 31
 AUGUST 23
 NOVEMBER 15

For families and children (0-5yo) with Down syndrome and other chromosomal disorders.

Our DSSA Playgroups are held during school term on Fridays, from 9:30am-11:30am.

Children with Down syndrome and other chromosomal disorders, their parents, siblings and extended family are all welcome to attend. This playgroup is a great opportunity for parents to create new friends over shared experiences. Children are invited to participate in songs, stories, craft activities and outdoor play, as well as key word signing and using visuals for general development.

Central Playgroup:
 Knightsbridge Baptist Church,
 455 Glynburn Rd, Leabrook

Northern Playgroup:
 Parafield Gardens Children's Centre,
 9 Casuarina Drive, Parafield Gardens

Before school age support:

Orana's Education Consultancy Team supports families and individuals with Down syndrome, intellectual disability and other chromosomal disorders during their educational years. Our support for children includes:

- Free information packs for newborns (distributed to hospitals)
- Free Parent Information Support Playgroups
- Education support when children transition to childcare, pre-school/kindergarten and school.
