

# HELP US BREW SOMETHING SPECIAL

## A Donation Guide for Orana's Inclusive Café

### ABOUT THE INCLUSIVE CAFÉ

Orana supports people with disability to live, work and be part of their community. As part of our Orana 2026+ program, we are establishing an Inclusive Café — a social enterprise where people with disability gain real hospitality skills, build confidence, earn income, and connect with their broader community.

The café is more than a business. It is a training ground, a social hub, and a statement that people with disability have an enormous amount to contribute — when given the right opportunity and support.

Social enterprises like ours are not funded through the NDIS — which is why we are reaching out to generous businesses and the wider community to help make this vision a reality.

### HOW YOUR SUPPORT MAKES A DIFFERENCE

Your donation will directly enable us to:

- Provide employees with hospitality training and on-the-job experience in a safe, encouraging environment
- Help people build practical skills — making coffee, serving customers, and working as part of a team
- Give employees a sense of purpose, routine and pride that comes from earning an income and contributing meaningfully
- Create an accessible, welcoming space where people with disability are visible, valued and celebrated as contributors
- Fund fit-out, equipment, training and ongoing operational support that everyday funding does not cover
