

WHERE GOOD THINGS GROW

A Donation Guide for Orana's 2026+ Landscaping Project

ABOUT THIS PROJECT

Orana supports people with disability to live, work and be part of their community. As part of our Orana 2026+ program, Where Good Things Grow is transforming outdoor spaces across our sites into welcoming, accessible and beautiful environments for clients, supported employees, and their families.

Landscaping and site upgrades are not funded by the NDIS or government grants — which is why we are reaching out to generous businesses and the wider community.

HOW YOUR SUPPORT MAKES A DIFFERENCE

Your donation will directly fund:

- Safe, accessible pathways and outdoor areas for people using mobility aids, wheelchairs or with sensory sensitivities
- Gardens and green spaces where clients and supported employees can take part in meaningful, therapeutic outdoor activities
- Shaded, sheltered seating areas for rest, socialising and comfortable time outdoors
- Calming natural elements — plants, greenery and quiet spaces — that support emotional regulation and mental wellbeing
- Opportunities for supported employees to take pride in and contribute to the spaces where they work
- Environments that families and carers feel proud to bring their loved ones to
