Creating Opportunities

**Creating Opportunities**

Orana supports people with disability to exercise choice and control and to learn new skills to increase independence.

Orana encourages independence by supporting you to make choices in your everyday life and to participate in the day to day activities of your home.

Orana offers a range of skills development, counselling, positive behaviour support and therapeutic services as part of our Capacity Building support.

Our range of individual and group skills development programs are aimed at increasing your independence and confidence in many areas of your life.

Each program is focused on your needs and wellbeing to provide you with the skills to live your life the way you want.

Orana strongly believes in empowering you to learn and maintain skills for life and support you to live as independently as possible.

### Support Coordination
